Turbos are not suitable for everyone. You should not deal in Turbos unless you understand their nature and the extent of your exposure to risk. You should be satisfied that they are suitable for you in the light of your circumstances and financial position. If you are in any doubt you should consult an appropriately qualified financial advisor. The value of Turbos may be exposed to fluctuations in exchange rates, and these may have an adverse effect on the value or price of the Turbos. The value of Turbos can go down as well as up. Where any Turbo is based on an index, the index provider will have no liability to you in respect of its activities in respect of that index.
